

RABINDRANATH TAGORE UNIVERSITY, HOJAI, ASSAM

DEPARTMENT OF BOTANY

NOTICE

DATE: 04/08/2021

The students of Botany (Major) 6th Semester of batch 2017 and 2018 are asked to submit the assignments for sessional examination (Theory), 2021 in their respective department on or before 16/08/2021.

Assignment for theory paper :

Paper 6.1 (Major): Molecular biology and plant biochemistry.

Assignment : Topic- Different form of RNA and their roles . Marks-15

Paper 6.2(Major) : Bioinformatics and Computer application

Assignment : Aim, Scope and research area of bioinformatics. Marks-15

Paper 6.3 (Major) : Plant physiology

Assignment : Mechanism and significance of plant transpiration. Marks-15

Paper 6.4 (Major) : Plant resource and utilization.

Assignment : Non-alcoholic beverages yielding plants, its source and uses.

Marks-15

DEPARTMENT OF BOTANY

NOTICE

DATE: 04/08/2021

It is a general notification for the students of 2017/2018 batch arrear, **Botany (Major) 3rd** semester, that they will have to submit the below mentioned assignments & practical Note Books in respective papers on or before 10/08/2021, in their department.

Paper 3.1 (Major): Ecology, plant geography and evolution

Assignment 1) Topic- Structure and function of ecosystem. Marks-15

Assignment 2) water pollution, its impact and control measure. Marks-15

Paper 3.2(Major) : Instrumentation and laboratory techniques

Assignment 1) Digital Imaging. Marks-15

Assignment 2) paper Chromatography. Marks-15

Paper 3.3 (Practical) : Ecology and instrumentation and lab. Technique.

1) Laboratory Note Book.

2) Writing of theoretical component of the experiment
(Online).

3) Viva (Online).

**** N.B.: Q. No 2 and 3 will be conducted through Online mood by WhatsApp and Zoom App on 09/08/2021. The students are asked to give their whatsapp number to the following number.**

DEPARTMENT OF BOTANY

NOTICE

DATE: 04/08/2021

The students of Botany (General) 3rd Semester Arrear batch (2017 and 2018) are asked to submit the assignments and practical Note Books in their respective arrear subjects on or before 11/08/2021 in the Botany department.

Paper 3 (Theory): Diversity of Seed Plants and Systematics.

Assignment 1) Life cycle of cycus. Marks-10

Assignment 2) Bentham & Hooker's system of classification. Marks-10

Practical Paper

1) Practical Note Book.

2) Writing of theoretical component of the experiment (Online).

3) Viva (Online).

**** N.B.: Q. No 2 and 3 will be conducted on 10/08/2021 at 10.00 A.M. through WhatsApp group and Zoom App. The students are asked to give their whatsapp number to the following number.**

Contact No. 9435169799. (Dr. U. Phukan).
