

RABINDRANATH TAGORE UNIVERSITY, HOJAI

One Year Diploma in Indian Knowledge System (IKS)

About the Course

The Course is designed to motivate the young students to acquaint with the rich Indian Knowledge System by providing in-depth understanding on Indian heritage and its manifold contribution towards enriching the foundation of knowledge in the world.

The two semester course will have four papers of 5 credits in each semester including Project Work, Assignment and Practical Sessions. The course will entail diverse areas and fields i.e. foundational understandings such as history and evolution of Indian Knowledge system and its philosophical underpinnings; introduction to Sanskrit language, ancient scripts and literature; Social and Political Structure of Ancient India; key concepts of IKS in other applied branches such as Engineering and technology, environmental sciences, Chemistry and Metallurgy, Military Sciences etc; the traditions of Yoga and Meditation; use of IKS in modern day challenges such as sustainable development, holistic health and technology; Indigenous knowledge traditions in the Northeast India, etc. among others.

Important Highlights

- **Add-on Course** which can be pursued along with other degrees.
- **Hybrid mode** of classes with online and offline options.
